

Book Reports
3rd Grade
Mrs. Skaug

A book report is one form of persuasive writing; it's an opportunity to give your opinion or reaction about a book you have read. Your first step in writing a book report is to read your book carefully and thoughtfully. If you need to, take notes to help you remember important points.

When you are finished reading your book, pick up a book report form and fill it in completely. Then hand it in.

You will need to read two books and do two book reports per quarter. The first one will be done in class. Please read third grade level chapter books.
