Phonics:

We are moving right along with our letters. We have two new sight-words this week. They are: I, see. I am sending home pre-decodable book #3 "School". Please be reading all our books daily. This is so important to your child's reading and self confidence. If you can possibly find the time, please have your child do his/her homework during the weekend and turn it in on Mondays. I review them and see if there is any problem writing areas.

FIRE SAFTY WEEK: This has been fire safety week in our class. We have talked about when to call 911. What we are to do if there was a fire in the house or if we were on fire. Make sure and ask your child about fire safety.

THANK YOU for all your support with our Jog-A-Thon! It was a success and we had such a great time. This is such an important fundraiser for C.C.S. Our class earned a popcorn party, a pizza party, and we all earned our shirts! Our school is such a success because of your involvement.

God's Blessings,

Mrs. Vanden Bosch
